Emerge in the ancient battle with blade and shield in the most famous web game ever. Stick War: Legacy is now available on Android devices with impressive and addictive gameplay. Command your armies to invade other's territories, build your own fort to defend from others, and take control of each and every character in your army in an all-out assault of Stick War: Legacy. Story The game features impressive gameplay with simple control. You'll be commanding an army of stick men in your quest to expand your territory and power. Be a king and lead your country to victory by joining the world of stick men. You'll have the option to create an army of your own with different units, each with their own purposes. For example, you'll have the miner to seek for valuable gold mines, builder to create fortresses, and other military-related units like archers, infantry, cavalry, and so on. Your only goal? To destroy your enemies and become the greatest king that the land has ever seen. Gameplay Those who love playing strategy games would definitely love Stick War Legacy thanks to its strategy aspects. You'll have to build an empire from scratches, go on campaigns to gain more territory and property, experience the strategy aspect of a real-life battle, and so on. Here are the features that would surely interest you: Fun and exciting stick battle We all think of stick man as something that's really simple, which makes the idea of having two armies of stickmen fighting against each other extremely fun and exciting in certain ways. But don't think of it as a simple battle between a few stickmen, you can have access to hundreds of different units in a huge-scale battlefield. On top of that, you can choose to control any character belong to your army with manual control. Hence, you can experience the feeling of being a soldier who's fighting in a grand battle of two armies. In addition, you can also reduce the casualties on your side by smartly control your character. Customizable items for your characters The units can be equipped with different weapons and items that can give them great help during a battle. You can acquire these weapons through your in-game progress and by purchasing them with your gold. During a decisive battle, a slight advantage in the weapon can be extremely important to snowballing your army toward victory. Different item types with their own traits The items also have their traits, including leaf items, ice items, lava items, savage items, and vamp items. By wearing leaf items, you will gain a slight boost in speed when compared to other items, however, your power would be reduced. For units that are wearing ice items, their enemies are slowed, and sometimes, freeze them from the cold. On the other hand, lava items feature the power of the mighty volcanoes which burn your enemies and repel some of the damages back to them. Born from the Chaos, Vamp items make your units immune to poisonous damages as well as allow them to steal life force from enemies. Moreover, the items also release a powerful blast of energy upon any approaching enemy. And lastly, the savage items, made from the bones and skins of the powerful beasts, the items grant their wearer extreme power and resilient so they can charge into the enemy's line like a savage warrior. Fun and exciting zombie mode And speaking of savage items, you will find them extremely useful when dealing with the endless swamps of zombies in the Endless Survivor mode. Your achievements will be calculated judging on the number of nights that you're able to survive. Stand fast as you'll receive incredible prizes at the end of your quests. Aesthetic cinematic intros Always like the way that they tell the stories in Stick War Legacy. The comic cinematic intros make the game extremely exciting with their impactful art styles. In addition, they also do a good job at summing up the previous chapters and explaining what's happening in the next stages. This allows players to catch up with the game's progress while staying relaxed. Acquire the Crown of Inamorta in the campaign mode Your main missions in the single player mode would be to expand your nations to the surrounding lands of the Inamorta where neighboring states constantly wage wars against another. Each faction comes with their own styles of technology and military, choose the ones that suit your styles. Advance on the map on your journey to look for the legendary Crown of Inamorta and delivering peace to the land, once and for all. Completely free with our version of Stick War Legacy If you download your Stick War game from Google Play, you'll likely to be bothered by numerous ads as well as the compulsory in-game purchases. As a result, many players lose their interest in this great game. For those who would like to experience a completely free game that doesn't require any additional purchases, you can access our website and look for the Stick War Legacy hacked game. All you have to do is download the file and install it on your Android devices with ease. Graphics The cartoony art style makes the stick figures look extremely friendly. But don't think of them as regular stick man as they can be fierce warriors when they're on the battlefield. Aside from the realistic strategy aspect, the game provides a grand-scale battlefield with amazing weapon effects. In addition, during our tests, there are no noticeable lags as the game run relatively smooth. Sound/Music Each of your in-game actions is accurately described with realistic sound effects. For example, you can hear the sound of your miner when he's mining the gold, or hear the sounds of metal weapons crashing into each other in the tense battlefield. In addition, in each stage of the game, there are also intuitive audio tracks to enhance your experiences.
